Trip Description

Dreaming of a fly fishing vacation to catch big Arctic char? Fish the East Ungava Bay rivers. Fly-out by floatplane every day to fly fish for the most combative Salmonidae: the Arctic char. Experience spectacular rivers with countless pools full of Arctic char, angling in direct sight of the fish.

Your Itinerary

Day 1: Montreal - Kuujuaq - Barnoin Camp Flight ➤ Upon arrival at Barnoin Camp, the manager-owner will welcome you with a cocktail, followed by the emission of fishing licenses and a presentation of your upcoming itinerary. In the afternoon, you are free to fish. Dinner and overnight stay at the Lodge.

Day 2: Arctic Char Fishing Excursion ➤ Depart for a day of fishing, flying over the brilliant coastal landscape of Ungava Bay. After a 20-minute flight, we will stop at a wilderness river renowned for its large Arctic char. For your evening meal, enjoy some of your day's catch, smoked, BBQ or sushi style. Overnight stay at the Lodge.

Day 3: Arctic Char Fishing Excursion ➤ Your day will be devoted to fishing at various river positions. For lunch at midday, your guide will take the opportunity to braise your Arctic char over a wood-burning fire. Overnight stay at the Lodge and Labrador tea tasting.

Day 4: Arctic Char Fishing Excursion ➤ En route to our fishing site, we will fly over fjords and mountains, surveying icebergs and polar bears. Upon arriving at our destination, we'll fish for Arctic char in saltwater. Overnight stay at the Lodge.

Day 5: Arctic Char Fishing Excursion ➤ We'll take advantage of our last day of fishing to explore little-known fishing grounds and wonderful rivers in the wilderness. Overnight stay at the Lodge.

Day 6: Return Trip. Breakfast at the Lodge.

The Barnoin River Camp is situated in Arctic Quebec 1,500 km north of Montreal and 165 km east of Kuujuaq. Ungava Bay is located less than 40 km north of the camp. In just a few minutes flight time from the outfitter, you'll be able to experience exceptional Arctic char fishing sites. You may also fish for brook trout, sea trout and lake char. Accommodations are comfortable.

The average size of Arctic char is between 4 and 5 kg and they can be caught with 300 to 350 grain sinking lines.

The rivers bordering the east Ungava Bay coast are among the best for Arctic char found anywhere in Canada. Arctic char in these waters are generally enormous.

Keep in Mind

The suggested tour is a general example and may be modified upon request. Bushland flights are often subject to last-minute changes depending on weather conditions, in which case the itinerary will be adapted to the best possible alternative. 2.5% discount for payment by check.

The rivers we visit offer absolute solitude and exceptional fly fishing.

The famous Arctic char are extremely combative, often comparable to salmon. Feeling an Arctic char strike the fly and seeing it run the line out by more than 100 meters in less than a fraction of a second is the fly fisherman's greatest reward.

Taking off on a fishing excursion to the East Ungava coast is synonymous with adventure. En route, you will spot icebergs and polar bears.
