Hike or camp in Adams Lake

Land at Barnoin Camp

Spend a week experiencing a land beyond the reach of all roads.

Travel with your aircraft to some of the most spectacular scenic areas ever found in North America. Like no other places on earth, Arctic Quebec & Labrador is a land of natural wonders where you'll see the landscape as it appears thousands of years ago.

Hike to many spectacular falls

Photos Air Safari

Our three exceptional Scenic Air Routes capture the diversity of the Arctic wildlife and nature geologic wonders. Along the routes you'll see Polar bears, Caribous, Seals, Whales and many impressive birds colonies. You can also observe some gigantic Icebergs, walk to an ice aged Glacier and explore some towering Waterfalls. Take a day to visit Hebron Ghost Town and find more about the German missionaries and the mystery that wiped out the town.
