

Getting There

Commercial flights

Rapid Lake Lodge is also easily accessible via commercial airlines, such as First Air and Air Inuit. The direct flight from Montreal to Kuujuaq is less than two hours. Upon arrival in Kuujuaq, our camp coordinator ensures that you board the charter flight from Kuujuaq to your camp. This flight is 45 minutes.

Seaplane pilots

Rapid Lake Lodge is easily accessible by bush plane. Flying time between Montreal and Rapid Lake in a Cessna 180-type seaplane is about eight (8) hours. The main refuelling stops are at Val d'Or, Chute des Passes, Sept-Iles, Wabush, Caniapiscau and Schefferville.
