## Trip Description

This fishing expedition has been specially extended for those who would like to get more out of a trip. A fishing and safari adventure incorporating the best of Nunavik: fly-out every day on board your seaplane or helicopter to fish for Arctic char at your own pace. Take off on a safari adventure and photograph polar bears, whales, waterfalls and icebergs – the ultimate experience in the heart of mountain and fjord country!

## Your Itinerary

**Day 1: Arrival at Rapid Lake/Barnoin Camp** ► Upon arrival at Rapid Lake/Barnoin Camp, the manager-owner will welcome you with a cocktail, followed by emission of fishing licenses and a presentation of your upcoming itinerary. In the afternoon, you are free to fish. Dinner and overnight stay at the lodge.

**Day 2: Arctic Char Fishing Excursion** ► Escape for a day of fishing, flying over a magnificent tundra landscape of lakes and rivers as far as the eye can see. You'll drop down at wilderness rivers to fish for some marvellous Arctic char. For your evening meal, enjoy some of your day's catch, smoked, BBQ or sushi style. Overnight stay at the lodge.

**Day 3: Air Safari and Fishing Excursion** ► Fly-out on an air safari over the vast Quebec and Labrador Peninsula. Soaring over wilderness coastlines of otherworldly charm, you'll see polar bears, whales and icebergs at sea. For lunch at midday, touch down to fish and braise some of your day's catch over a wood-burning fire. Overnight stay and Labrador tea tasting at the lodge.

**Day 4: Visit to the Mystifying Ghost Town of Hebron** ► Fly out towards the Labrador Sea to investigate the mysteries of Hebron. En route, soar over the barren, arid Labrador Plateau to experience the eye-catching canyons and verdant valleys leading to the glorious glacial valley of Hebron. Upon arrival at Hebron Fjord Lake 5, stop to survey the grandiose fjord geography. Marvel at the remarkable rock walls and listen to the roaring waterfalls. Follow your route along the fjord to the ghost town of Hebron and admire the amazing topography of rock walls, waterfalls, rocky shores, mountains, the ocean and icebergs. Upon arrival at Hebron, absorb yourself in artefacts the Moravian missionaries left behind after coming here from Germany. Overnight stay at Rapid Lake/Barnoin Camp.

**Day 5: Arctic Char Fishing Excursion and Adventure** ► Take advantage of your last day of fishing to thoroughly enjoy the pleasure of watching your fishing line travel at top speed. In the afternoon, fly-out to fish new rivers. For your evening meal, enjoy some of your day's catch, smoked, BBQ or sushi style. Overnight stay at the lodge.

**Day 6: Return trip.** Lunch at the lodge.

### Added Features of Rapid Lake Lodge

- A trip exclusively designed for floatplane and helicopter pilots.
- Variety of fishing grounds
- Early booking discount on some dates (please check with us)

Price per person, double occupancy from 1724 \$ CAD (plus tax).

**Rapid Lake Lodge** is situated in Arctic Quebec in the heart of the sub-arctic tundra, 1,400 km from Montreal and 150 km southeast of Kuujuaq. **The Barnoin River Camp** is situated in Arctic Quebec 1,500 km north of Montreal and 165 km east of Kuujuaq. Ungava Bay is located less than 40 km north of the camp.

Our rivers on the east coast of Ungava are renowned for their large Arctic char.

Our wilderness rivers afford easy access to fishermen, are pleasing to the eye and a good place to shoot photos of black bears, in addition to boasting outstanding hoards of Arctic char.

### Trip Highlights

#### TRIP INTO THE WILDS

- Immense region of mountains, fjords, lakes and rivers
- Exceptional fishing on wilderness rivers

#### A TRIP BACK INTO TIME

- The mysteries of Hebron

#### TRIP MEMORIES

- Coastal fjord and ocean scenery
- Savouring the day's catch cooked over a wood-burning fire

### Keep In Mind

The suggested tour is a general example and may be modified upon request. The variety of fishing grounds enables us to target the best times to fish based on the desired species. Aviation fuel service is available upon request. Bushland flights are often subject to last-minute change depending on weather conditions, in which case the itinerary will be adapted to the best possible alternative. 2.5% discount for payment by cheque.

Against an idyllic backdrop of mountains, rivers and rapids, you'll fish in direct line of sight of the Arctic char.

Eight or nine weight fly rods and 300 to 350 grain sinking lines are recommended for fishing in the majority of rivers in this region.

The long flight over coastal Quebec and Labrador Peninsula will enable you to encounter otherworldly landscape and real life nature in the wilds.

You will be overwhelmed by the wildlife in both Quebec and Labrador, as well as by the fjord and mountain scenery.
